

ICFICE 2020

The 13th International Conference on Future Information & Communication Engineering
February 19th, 2021. Online Conference
<http://icfice.org>

The 13th International Conference on Future Information & Communication Engineering (ICFICE2020) will be held by online conference on February 19th, 2021. The conference is open to all over the world but participations from Europe and Asia-Pacific Region are particularly encouraged. The focus of this conference is on all technical aspects of Computer Science and Communication Engineering. The areas of interest include, but not limited to the followings :

- Communication System and Applications
- Networking and Services
- Intelligent Information System
- Multimedia and Digital Convergence
- Semiconductor and Communication Services
- Biomedical Imaging and Engineering
- Ubiquitous Sensor Network
- Database and Internet Application
- IoT and Big Data
- IT Convergence Technology

IMPORTANT DATES

- Full Paper(or Abstract Paper) Submission : Jan. 15th, 2021.
- Notification of Acceptance : Jan. 22th, 2021.
- Camera Ready Submission : Jan. 29th, 2021.
- Registration Due : Feb. 5th, 2021.

INSTRUCTION FOR AUTHORS

- All papers submitted to ICFICE2020 should describe original work and not be published elsewhere before the conference. Papers must conform to official ICFICE template style file that can be found in <http://icfice.org>. Authors are invited to submit full-length papers (4 pages maximum) by the submission deadline through the online submission system. All submitted papers will be refereed by experts based on the criteria of originality, significance, quality, and clarity.
- Among presented papers at the conference, selected papers will be chosen as best/outstanding paper awards and some outstanding papers will be chosen to be published after appropriate extension on several SCOPUS indexed journals and some other papers will also be recommended to be published on the Journal of Information and Communication Convergence Engineering (JICCE, ISSN: 2234-8255).
- If you want to submit the extended ICFICE2020 paper to “SCOPUS-indexed Journal,” you have to submit an additional paper for “SCOPUS-indexed Journal” with the ICFICE2020 paper. The additional paper should be equal or more than 8 pages.
