ICFICE 2022

The 14th International Conference on Future Information & Communication Engineering
12th ~ 14th January 2022, Ramada Jeju City Hotel, Jeju Island
http://icfice.org

The 14th International Conference on Future Information & Communication Engineering (ICFICE2022) will be held at the Ramada Jeju City Hotel, Jeju Island from 12th ~ 14th January 2022. The conference is open to all over the world but participations from Europe and Asia-Pacific Region are particularly encouraged. The focus of this conference is on all technical aspects of Computer Science and Communication Engineering. The areas of interest include, but not limited to the followings :

- Communication System and Applications
- Networking and Services
- Intelligent Information System
- Multimedia and Digital Convergence
- Semiconductor and Communication Services
- Biomedical Imaging and Engineering
- Ubiquitous Sensor Network
- Database and Internet Application
- IoT and Big Data
- IT Convergence Technology

IMPORTANT DATES

▪ **Full Paper(or Abstract Paper) Submission : Aug. 20th, 2021.**
▪ **Notification of Acceptance : Aug. 30th, 2021.**
▪ **Camera Ready Submission : Sep. 24th, 2021.**
▪ **Registration Due : Nov. 1st, 2021.**

INSTRUCTION FOR AUTHORS

▪ All papers submitted to ICFICE2022 should describe original work and not be published elsewhere before the conference. Papers must conform to official ICFICE template style file that can be found in http://icfice.org. Authors are invited to submit full-length papers (4 pages maximum) by the submission deadline through the online submission system. All submitted papers will be refereed by experts based on the criteria of originality, significance, quality, and clarity.
