INSTRUCTION FOR AUTHORS

- All papers submitted to ICFICE2022 should describe original work and not be published elsewhere before the conference. Papers must conform to official ICFICE template style file that can be found in <http://icfice.org>. Authors are invited to submit full-length papers (4 pages maximum) by the submission deadline through the online submission system. All submitted papers will be refereed by experts based on the criteria of originality, significance, quality, and clarity.
- Among presented papers at the conference, selected papers will be chosen as best/outstanding paper awards and some outstanding papers will be recommended to be published after appropriate extension on several SCOPUS indexed journals and some other papers will also be recommended to be published on the Journal of Information and Communication Convergence Engineering (JICCE, ISSN: 2234-8255).
- If you want to submit the extended ICFICE2022 paper to “SCOPUS-indexed Journal,” you have to submit an additional paper for “SCOPUS-indexed Journal” with the ICFICE2022 paper. The additional paper should be written by using this template, and this has above 8 pages.

* This conference may be rescheduled or switched online depending on the COVID-19 situation.
